The IAA MOBILITY team will create the networking tours and schedules based on the topics selected by all participating companies. The participating companies are expected to be informed in the 2nd quarter of 2025.

In addition, the companies will be asked about further details of their presentation and will receive a detailed briefing on the procedure on site.

» IAA MOBILITY 2025

*No multiple selection possible. Please use additional form if you plan to register for different tour topics.

**We reserve the right to combine tour topics if not enough exhibitor and/or visitor attendees register for one topic.

With your signature you confirm your binding participation in the IAA Networking Tours which is subject to a cancellation fee as well as possible data transfer to third parties for the implementation of the Networking Tours.

The general [exhibition conditions](#) and [data privacy policy](#) of IAA MOBILITY 2025 apply.^{1, 2}

Notes:

¹ Please note that the selection and allocation to the Networking Tours is processed through an application process shown in the registration form.

If, contrary to our expectations, not enough participants register for the IAA Networking Tours at the Summit, the IAA MOBILITY team will withdraw this offer. We reserve the right to combine tour themes if not enough participants register for one topic.

² The following conditions apply to cancellations of the IAA MOBILITY Networking Tours: Until the 31st December 2024 25 percent cancellation fee on the total amount. Until the 30.05.2025 50 percent cancellation fee on the total amount. From the 1st June 2025 onwards 100 percent cancellation fee on the total amount. Plus VAT.
