

IAA MOBILITY 2023

Career

Why participate

IAA MOBILITY is the world's leading networking platform where the players crucial to the mobility of the future exchange views on the latest developments in the industry.

By taking part in the IAA MOBILITY Career (05.09. – 08.09.) you can specifically draw attention to your company as an important employer.

Take advantage of this platform to address professionals from the fields of IT/software, electrical engineering, engineering, mechanical engineering & automotive engineering.
