IAA VOICES — WHAT OUR EXHIBITORS AND PARTNERS SAY

“ Exciting.

— Ola Källenius, CEO at **Mercedes-Benz Group**
about IAA MOBILITY in one word

“ We want to be here because we believe this is the place where innovation is happening right now.

— Dirk Lange, Vice President Global Automotive Business at **3M**

“ IAA MOBILITY is doing a great job.

— Dr. Sandra Wolf, CEO at **Riese & Müller**

“ I think it's great to have dialogue, exchange ideas. I think it's a fantastic event, it's a fantastic platform.

— Michael Lohscheller, CEO at **Polestar**

“ We believe that our products, our solutions, our services fit across the whole value chain. That's why we are so excited to be here.

— Steve Basra, Former Global Head of Automotive at **Google**

SELECTED GROUP OF EXHIBITORS, PARTNERS, AND SPONSORS AT IAA MOBILITY 2025

YOUR PARTICIPATION 2027

TAKE PART: IAA MOBILITY **HAS A LOT TO OFFER**

Two unique event areas — explore your
B2B and B2C participation opportunities now!

IAA SUMMIT TRADE FAIR CENTER MESSE MÜNCHEN

B2B FORMAT

1 PRESS DAY SEP 6 (MON)

4 B2B DAYS SEP 7–10 (TUE–FRI)

The central B2B platform for all mobility professionals. It is also the ideal place for decision-makers from the entire mobility industry to convene and position their companies as trailblazers of the mobility of the future.

The IAA Summit offers diverse participation opportunities: showcase your innovations to an international audience as an exhibitor; contribute to the conference program as a speaker; and through test drives, present your products live and demonstrate their performance firsthand.

IAA OPEN SPACE MUNICH CITY CENTER

B2C FORMAT

6 B2C DAYS SEP 7–12 (TUE–SUN)

Sustainable mobility solutions are made accessible to everyone at the IAA Open Space. This is the format for everyone who wants to be visible to the general public and trade visitors — festival space, product showroom, and test course in one.

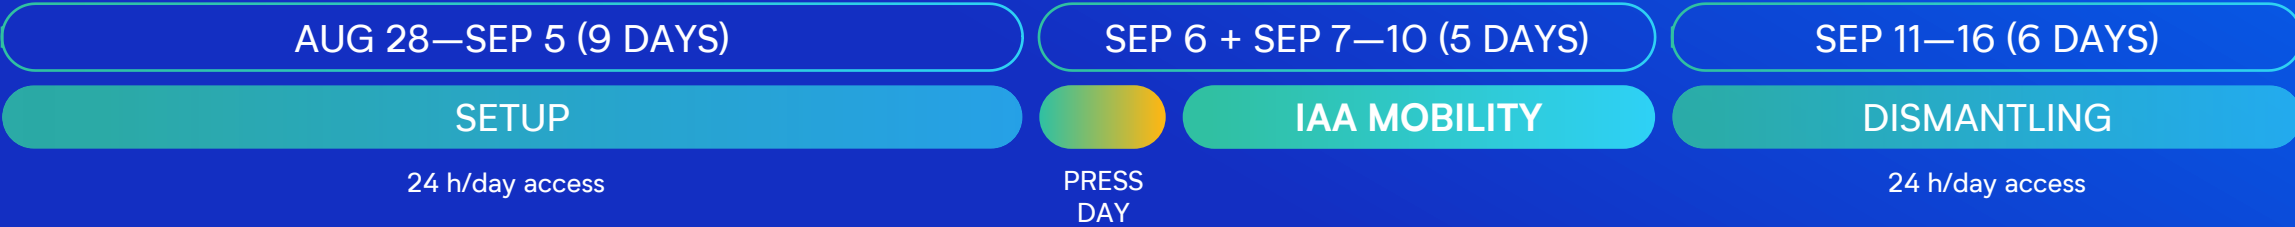

Join our interactive experience formats where IAA Open Space visitors and IAA Summit experts test out how climate-neutral mobility of the future will feel: cars, bicycles, public transport, and much more.

YOUR IAA MOBILITY 2027 TIMELINE

IAA SUMMIT Trade Fair Center Messe München

IAA OPEN SPACE Munich city center

IAA SUMMIT AT THE TRADE FAIR CENTER MESSE MÜNCHEN

Meet all the relevant stakeholders and decision-makers at the industry's most important meeting place!

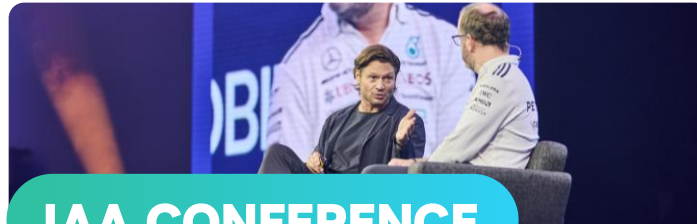

IAA SUMMIT

Exhibition space and further participation options

Show off your innovations and present yourself to market leaders from all relevant mobility segments. Network and gain valuable contacts among decision-makers, multipliers, and representatives from the areas of policy and media.

Discuss your visions with an international trade audience and take advantage of innovation and transformation impulses for your company.

Utilize the exclusive press day on September 6 to even further increase your visibility.

IAA CONFERENCE

Stage participation

Position yourself as a thought leader and present your expertise.

Increase your brand awareness, maximize your reach, and benefit from our international media presence.

Engage in dialogue with the leading minds from the mobility industry, policy, science, and society.

IAA EXPERIENCE

Test and demonstration offers

Get people excited: Present your products live and in person.

Create experiences that last and turn dry theory into exciting practice that trade visitors will not forget.

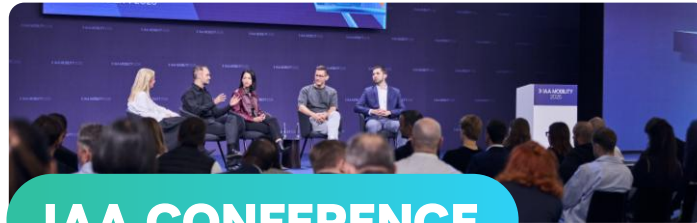

Engage in dialogue with your target group and get unfiltered feedback on your products, concepts, and technology.

IAA OPEN SPACE IN MUNICH CITY CENTER

Experience and present the mobility of tomorrow at the most prominent locations in the heart of Munich!

IAA OPEN SPACE

Exhibition space and other participation options

Get new target groups excited about your company.
Reach the general public and trade visitors and turn visitors into customers.

Form long-lasting, emotional connections with potential customers and let visitors experience your mobility solutions. Take advantage of the IAA Open Space as an event with innovative product experiences, test courses, shows and entertainment, such as the Family Trail or concert stages.

Engage in dialogue and discuss your vision with the general public at the Citizens Lab. Benefit from first-hand feedback from future partners or entirely new user groups.

IAA EXPERIENCE

Test and demonstration offers

Get people excited: Present your products live and in person. Put self-driving vehicles, cars, or motorcycles with emissions-free drivetrains, bicycles, e-bikes, and micromobility solutions on the street and let the public test them out.

Create experiences that last and turn dry theory into exciting practice that customers and trade visitors will not forget.

Engage in dialogue with your target group and get unfiltered feedback on your products, concepts, and technology.

WAYS TO GET INVOLVED

IAA OPEN SPACE

- › Exhibition space in Munich city center*
- › Sponsoring opportunities at our Siegestor Stage
- › Excite people of all ages and become part of the Family Trail. In 2025 40,000 children participated in the Family Trail
- › Brand activations at the Festival of Lights Munich
- › Thematic integration in the Citizens Lab, our dialogue forum between citizens, governmental and research institutions, and companies from the mobility sector
- › Various marketing and sponsorship opportunities

IAA EXPERIENCE

- › Test Drives of your mobility solutions
- › Cycling Test Track in the Englischer Garten
- › Cycling & Micromobility Parcours
- › Live demonstration of your company's Innovation Cases
- › Various sponsorship opportunities

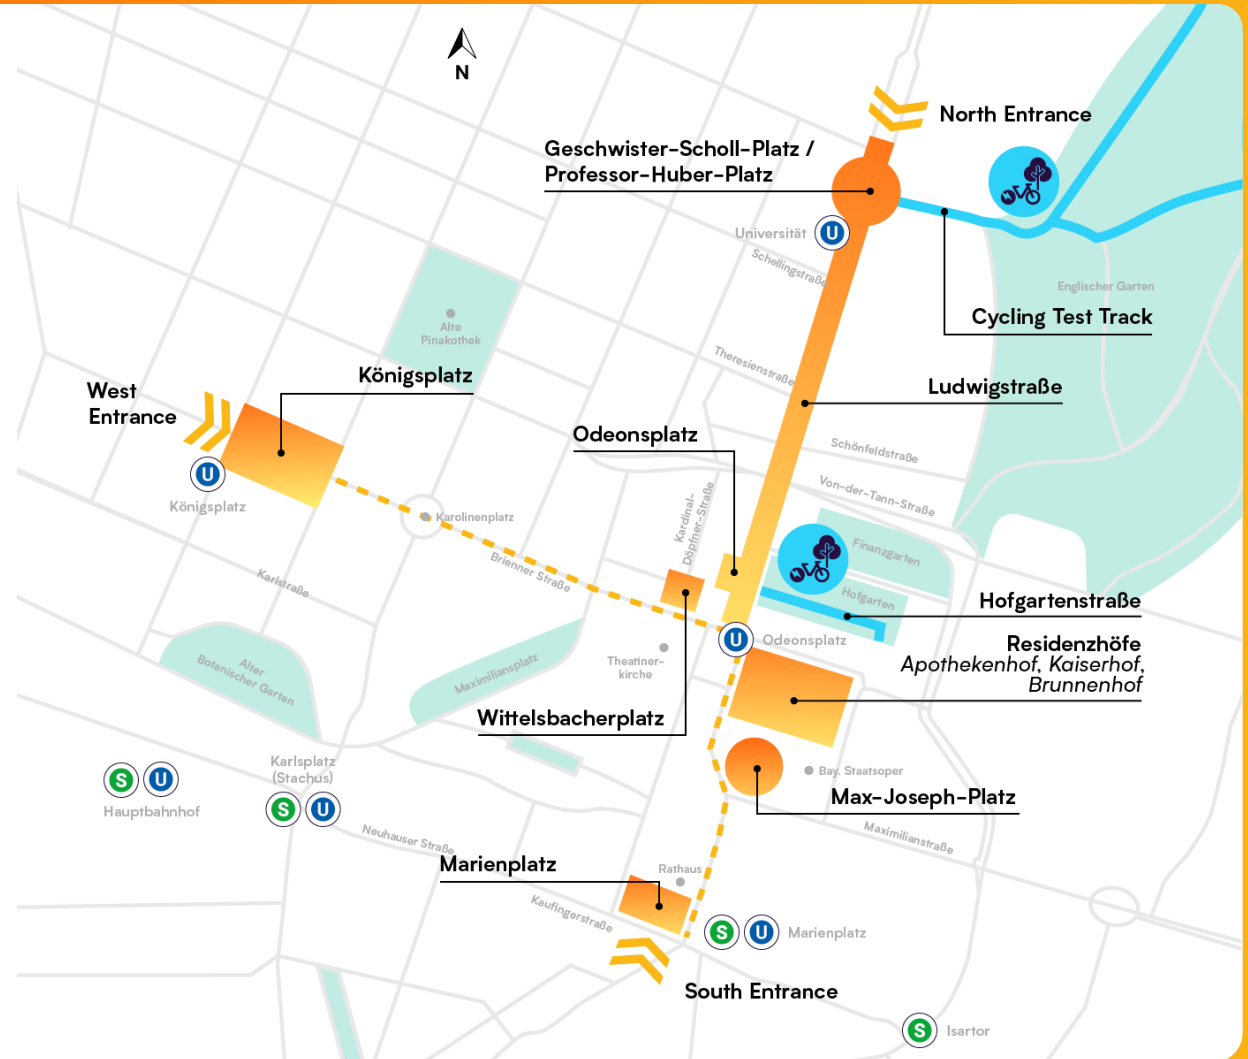

Get detailed information about all your participation options [here](#)

IAA OPEN SPACE IN MUNICH CITY CENTER

SECURE YOUR SPOT! EARLY BOOKING MATTERS

- › Availability varies by location and format
- › Early booking improves planning certainty
- › Preferred placements are subject to availability
- › Each location has its own unique specifications, including differences in logistics, setup times, and proximity to Test Drive routes

PRICING* FOR THE IAA OPEN SPACE

Benefit from a **combo presence** (IAA Open Space and IAA Summit) and get a discount of €320/sqm on your stand rent at the IAA Open Space in Munich city center!

Including corresponding ticket contingent**

STAND RENTAL CHARGES

PRICES FOR IAA SUMMIT EXHIBITORS

IAA OPEN SPACE ONLY EXHIBITORS

Königsplatz Hofgartenstraße	€227/sqm	€547/sqm
Ludwigstraße Residenzhöfe	€299/sqm	€619/sqm
Odeonsplatz Max-Joseph-Platz Wittelsbacherplatz	€325/sqm	€645/sqm

* All stand rental charges listed are subject to mandatory additional fees such as the service prepayment (€23/sqm), disposal costs (€16.50/sqm), communication fee (€1,350 per exhibitor/co-exhibitor) and CO₂ audit (€650 per exhibitor — after reviewing the submitted documents, costs for the climate protection fee will be added. These vary depending on the number of tons of CO₂ calculated and amount to €23 per ton). Additional mandatory costs may arise depending on local conditions (e.g., soil protection). All prices are subject to VAT.

** The stand rental charges include a corresponding contingent (€30/sqm) for trade visitor tickets that can be used for guest tickets to invite third parties and/or staff tickets to the IAA Summit.

THE FULL MOBILITY MIX IN ONE PLACE

AUTOMOTIVE

Present your latest innovations to an international trade audience — and let end users experience your products live in the heart of Munich. As a company that goes beyond the vehicle, position yourself as a pioneer, showcase innovations in motion, and demonstrate that you are driving tomorrow's world.

DIGITAL TECH

Position your technologies at the center of the evolving mobility ecosystem. Connect with global industry leaders, unlock strategic partnerships, and engage with decision-makers across automotive, infrastructure, software, AI, connectivity, and beyond.

SMART INFRASTRUCTURE

Build the backbone of tomorrow's mobility. Showcase intelligent infrastructure solutions for charging, public transport, energy, and connected urban ecosystems — and engage with government stakeholders, decision-makers, and global mobility players shaping smarter, more sustainable, and more resilient cities.

CYCLING, MICROMOBILITY & LEV

Join us and showcase the potential of light mobility solutions, such as LEVs and bicycles as sustainable urban transportation options. We'll put you and your products in the spotlight for policymakers, international media, and half a million end customers.
