Recharge Area

BECOME A
SPONSOR

In the Recharge Area, trade visitors to the IAA Summit can recharge their batteries in two ways: The area serves not only as a place to charge digital devices, but also as a quiet retreat where visitors can take a short break from the hustle and bustle of the trade show and recharge their social energy.

The Recharge Area extends approx. 100 sqm and offers and combines relaxing, networking and working spaces for the attendees of the IAA Summit.

As a sponsor of the Recharge Area, you'll gain thematic visibility and reach for your brand.
