### How to participate?

Please fill in the application form to register as a startup. Follow the link [here](#) and send in the pitch documents as well as a presentation of the business model. Only completed forms and documents can be considered for the selection. Please note that the selection is done by the IAA MOBILITY SUMMIT team in corporation with national and international partners from the startup scene.

### Participation conditions:

- › Please note that only startups that fulfill the selection criteria for the event and have received the official admission by IAA MOBILITY are allowed to select one of the startup packages offered by the organizer.
- › The allocation of the startups on the Summit is planned and realized by the organizer; participating startups have no influence on the allocation of their booth.
- › In case the requested stand package is already sold out, IAA MOBILITY will offer a different package size which the startup can decline.
- › There are only 100 startup packages on offer in total. In case these are sold we will notify all applicants on time.
- › By registering, you agree to the [exhibition conditions](#), the [organizational & technical guidelines](#) and the [data privacy policy](#) of IAA MOBILITY 2025.
